Local Arborists & Landscapers

The following, in no particular order, is a list of arborists and landscapers who work in the Moab Valley and have agreed to their listing here. Inclusion on this list does not guarantee any business's licenses, certifications, or insurance. **You are solely responsible for checking a business's licenses, certifications, and/or insurance before hiring them.** We are always working to expand this list; please email info@firebreakmoab.org if you notice a missing business and we will be happy to contact them (*updated 9/2026*).
